

BETH JUDEA SISTERHOOD PADS volunteers needed

The Arlington Heights PADS site served by the CBJ Sisterhood is looking for more volunteers to cook food at home. The Cong United Church of Christ (1001 W. Kirchoff Road) provides shelter every Thursday night October thru April and has volunteers prepare a meat, starch or vegetable dish to serve 12. Volunteers that cook at home deliver the food to the church @ 6 p.m. Menus are organized by a volunteer and there is a crew in the kitchen, like our Sisterhood members, to serve dinner and clean up.

If you can help cook at home please contact the site coordinator directly. She can discuss all the details including your interests, your availability and PADS needs. Maggie Peshek can be reached at magsmail61@sbcglobal.net.

Thanks in advance for your participation.
