

SISTERHOOD BOOK CLUB

Come Join Us As We Discuss

History was repeating itself when Annette Gendler fell in love with a Jewish man in Germany in 1985. Her Great-Aunt Resi had been married to a Jew in Czechoslovakia before World War II--a marriage that, while happy, created tremendous difficulties for the extended family once the Nazis took over their hometown in 1938, and ultimately did not survive the pressures of the time. Annette and Harry's love, meanwhile, was the ultimate nightmare for Harry's family of Holocaust survivors. Weighed down by the burdens of their family histories, Annette and Harry kept their relationship secret for three years, until they could forge a path into the future and create a new life in Chicago. As time went on, however, Annette found a spiritual home in Judaism--a choice that paved the way toward acceptance by Harry's family, and redemption for some of the wounds of her own family's past.
