

CONGREGATION BETH JUDEA PRESENTS

Tuesday, November 14, 2017

4:15 - 6:15 pm

During Religious School Time

Brought by Stephen W. Schwartz AIA, Architect of SWS Architects, Livingston, NJ

All CBJ Families (children, parents, grandparents) are invited to join us as we build Jerusalem ONE LEGO AT A TIME! The Old city of Jerusalem comes alive as we work together on a 20 foot by 20 foot drawing creating the city, brick by brick. Once complete we will explore the Walls, 8 gates into the city, the Kotel, King David's Tower, the Beit Hamikdash, and other important landmark elements.

Please RSVP to schooloffice@bethjudea.org by Thursday, Nov. 9.

CHILDREN AGE 8 & UNDER
can participate with adult supervision
