

Join us in congratulating Beth Judea teens, Maddie Brim and Rachel Aranyi, both of whom have been selected as one of the 18 Under 18 Honorees!

18 Under 18 is a product of Springboard, Teens @ JUF and The Jewish Teen Alliance of Chicago (JTAC). The honorees embody one or more of the following leadership characteristics: they work toward inclusion of Jewish teens of all abilities; prioritize raising money for tzedakah/charity and volunteering; teach their peers and love Jewish learning; motivate others to be involved in Jewish life; or stand out as a Jewish role model. After going through a rigorous and competitive nomination and application process, honorees were selected from among dozens of applicants by a committee of teens and professionals. More information on the application process can be found at www.juf.org/itac.

There are three ways you can help us celebrate your teens being honored:
